Appendix II: Novel Food Rejections by Region of Origin

The following table provides a list of all RASFF reported novel food rejections sorted by region from 2009 to present.

Africa	Asia	Europe	Oceania	South America	United States
Vernonia amygdalina	3,3 diindolylmethane (DIM)	Achyranthes bidentata Bl	Bee venom	Mesquite meal/powder	Betaine
Xilopia aethiopica	Aqua armeniaca	Asplenium scolopendrium L.		organic yacon root	Butea superba
	Betel nuts	Atractylodes macrocephala		Salvia hispanica	Citrulline
	Bombyx mori	Cistanche		Smallanthus sonchifolius	Clinoptilolite
	Bulbus fritillariae cirrhosae	Cistus incanus		Stevia rebaudiana	Cnidium monnieri
	Desmodium gangeticum	Clinoptilolite			Coriolus versicolor
	Dongling tea	Cnidium monnieri			Coriolus versicolor
	Epimedium	Coriolus			Creatine

	grandiflorum	versicolor			derivative
	Eurycoma longifolia	Creatine derivative			Creatine monohydrate
	Eurycoma longifolia	Cuscuta japonica			Epimedium grandiflorum
	Flos farfarae	D-ribose			Eurycoma longifolia
	Folium eriobotryae	Epimedium grandiflorum			GTF chromium yeast
	Ginseng	Esterified CLA (conjugated linoleic acid)			Gynostemma pentaphyllum
	Globe amaranth	Eurycoma longifolia			Hoodia gordonii
	Hoodia gordonii	Glechoma hederacea			Huperzia serrata
	Jiaogulan tea	Herba cistanches			Indole-3-carbinol (in pure form)
	Mucuna pruriens	Hoodia gordonii			Inonotus obliquus
	Peltranda virgilica	Irvingia gabonensis			Irvingia gabonensis
	Phyllanthus emblica (50 %)	Myrciaria dubia			Myrciaria dubia
	Pueraria mirifica	Radix paeonia alba			Noni
	Radix adenophorae	Rosa laevigata			Phellinus linteus
	Radix platycodonis	Rubus suavissimus			Pueraria mirifica
	Radix polygalae	Salvia hispanica			Rhodiola rosea
	Rhizoma pinelliae preparatum	Semen biotae			Scutellaria elliptica
	Siraitia grosvenorii	Siraitia Grosvenorii			Silybum marianum
	Stevia rebaudiana	Smallanthus sonchifolius			Siraitia grosvenorii
	Synsepalum dulcificum	Stevia rebaudiana			Stevia rebaudiana
	Terminalia chebula (45 %)				Synsepalum dulcificum
	Trametes versicolor
